## ARTICLE - II

### Vehicles

1. The Contracting Parties will allow the following vehicles registered in respective Contracting Party to ply in territory of other Contracting Party, subject to the terms of the Agreement:
  - a. Cargo vehicles (including trucks, trailers etc. that could carry containerized cargo) for inter-country cargo including third country cargo.
  - b. Passenger vehicles for both hire or reward; or personal vehicles.
2. Provided further that all regular passenger / cargo transportation will be allowed only through authorized operator(s).

### ARTICLE - III

#### Permit

- (1) All the vehicles of a Contracting Party will require a permit for plying through the other Contracting Party.
- (2) The permit will be issued after verification of documents as mentioned in Article-IV(2), (i), (ii) and (iii) of this Agreement. The availability of all relevant documents as stated in Article IV(2) will be ensured at all time while plying in the territory of the other Contracting Party.
- (3) A permit for regular passenger transportation for hire or reward will be issued by the competent authority of the respective Contracting Parties to the authorized operator as specified in Form A.
- (4) A permit for regular cargo transportation will be issued by the competent authority of the respective Contracting Parties to the authorized operator as specified in Form B.
- (5) A permit for personal vehicles other than regular passenger transportation as at sub-article (3) above will be issued by the competent authority of the respective Contracting Parties as specified in Form C.
- (6) Non regular passenger vehicles will be permitted temporary admission on a case to case basis for a period of up to 30 days, provided that a permit for such journeys will be taken as specified in Form D.
- (7) Permits for regular passenger transportation and regular cargo transportation will be multiple entries, valid for one year and renewable every year.
- (8) A vehicle entering and plying into the territory of a Contracting Party or exiting from its territory under this Agreement will do so using authorized routes through authorized immigration check points and land customs stations as notified by the Contracting Parties concerned by mutual agreement. Any deviation from the route will be treated as violation of the permit conditions and of the relevant customs laws of the concerned Contracting Parties. Sector and the details of route, route maps, location of permitted rest or recreation places, tolls and check posts open for regular passenger or cargo transportation among the Contracting Parties as defined in the Protocol is at Annexure-I. Any addition or changes to the sectors and routes will be decided by the Contracting Parties concerned by mutual consent.
- (9) A permit issued by one Contracting Party under this agreement will be countersigned by the competent authority of the other Contracting Party within a period of one month.
- (10) Regular passenger transportation and non-regular passenger transportation for hire or reward will be operated on reciprocal basis. The competent authority of the respective Contracting Parties will, after mutual consultations, fix the number of such vehicles plying on different routes.
- (11) The Contracting Parties will exchange the lists of authorized operators for both passenger and cargo transportation by 31<sup>st</sup> January of every year and whenever any new operator is authorized or existing operator ceases operation or earlier (on request).

- (12) The competent authority under reference in sub-articles (3), (4) and (5) above will be as indicated in Annexure-II to this agreement. The competent authority for the purpose of sub-Article (6) above will be the Diplomatic Missions and also the designated Customs Officer or other authorities designated by the Contracting Parties.
- (13) Installation of a tracking system on motor vehicles as well as containers at the cost of entering vehicle/container will be introduced within two years from the signing of the agreement subject to the mutual consent of Contracting Parties.

#### ARTICLE - IV

  - ii. A valid certificate of fitness (wherever applicable).
  - iii. A valid insurance policy.
  - iv. A valid permit.
  - v. A valid "Pollution Under Control" certificate issued by a Contracting Party, certifying emission level and pollution under control of that vehicle in the Contracting Party, which has issued the certificate. The compliance of PUC check of the transit or destination state will be decided by the concerned Contracting Party.
  - vi. A valid driving license issued by a Contracting Party or an international driving permit.
  - vii. Pre-verified passport of the crew containing inter-alia the photo identity of the crew.
  - viii. A passenger list (with details of their nationality) in case of regular passenger transportation and non-regular passenger transportation for hire or reward.
  - ix. An internationally recognized valid travel document as proof of identity for passengers.
  - x. A way bill providing a brief description of the cargo and destination(s), commercial invoice and packing lists.
  - xi. List of personal goods/articles in possession of the crew including accessories, spares and parts in the vehicle to account for customs duty exemption/assessment.

- (3) All the documents referred to in sub-article (2) above will be in possession of the person driving the vehicle at the time of entering the territory of another Contracting Party as well as during the entire period of stay in the territory of that Contracting Party and will always be available for inspection by any competent authority authorized to inspect the vehicle.
- (4) The driving license or an international driving permit of the person who is driving or controlling the vehicle issued by the competent authority of one Contracting Party will be recognized by the competent authorities of other Contracting Party.
- (5) A conductor, helper and cleaner of a regular passenger / cargo transportation vehicle will be in possession of a valid certificate as per Annexure-III.
- (6) If for any reason, a driver of a regular passenger/cargo transportation vehicle is unable to perform his/her duties in another Contracting Party, a driver who is a national of either Contracting Party in possession of a valid driving license may drive the vehicle, subject to the condition that such a permission will be only as a substitute for one operation.
- (7) At least one member of the crew of the vehicle must be able to communicate in English or in a language understood in transit or in the destination Contracting Party.

#### **ARTICLE -V**

##### **Passport and Visa**

Crew members will carry passports or relevant accepted documents which will be issued to facilitate frequent endorsement of visas and will be granted multiple entry visa, valid for at least one year, by the Contracting Party concerned.

#### **ARTICLE - VI**

##### **Restrictions**

- (1) Vehicles registered in one Contracting Party and operating under this Agreement will not be permitted to transport local passengers and goods within the territory of other Contracting Party.
- (2) Nothing in this Agreement will be construed as exempting any person from the rules and regulations regarding entry permits, wherever applicable.
- (3) No major repair work will be carried out in another Contracting Party except in the event of an accident or break down.
- (4) Vehicles of either Contracting Party requiring an urgent repair while en-route will be allowed to have repairs done at nearby equipped workshop(s) in the other Contracting Party. In case of accidents, all consequential repairs may also be permitted in the Contracting Party where the accident occurred.
- (5) In the case of an accident, the legal proceedings, if any, against the driver of the vehicle will be disposed of expeditiously under the relevant laws of the Contracting Party where the accident occurred.

- (6) Contracting Parties will decide on the number of cargo and personal vehicles and volume of traffic under this Agreement through mutual consultation and agreement.
- (7) The Border Check Posts, Land Ports/Dry Ports and Land Customs Stations of the concerned Contracting Parties will endorse entry / exit particulars of the vehicles on the permit and these will be treated as the date of entry/exit for the purpose of this Agreement. Traffic between the two countries will be restricted only through existing notified Land Ports/Dry Ports and Land Customs Stations/Routes.

## ARTICLE -VII

### Fees and Charges

- (1) In relation to border, land port/dry port formalities, customs and quarantine formalities, taxation and fees, the provisions of internal laws or agreements between Contracting Parties will be applied in deciding matters which are not regulated by this Agreement.
- (2) The crew (driver, conductor, helper, cleaner etc.) will be allowed to carry baggage in accordance with baggage rules subject to such restrictions and prohibitions under laws of the respective Contracting Parties. The standard accessories of the vehicles, essential spares, fuel and oils contained in its supply tanks before entering in another Contracting Party should also be exempted from duties and taxes. However, in case of refuelling, the destination or transit Contracting Party(ies) may charge the unsubsidized price on a reciprocal basis.
- (3) All fees and charges for issue of permit for the vehicle of one Contracting Party will be levied only at the entry point of another Contracting Party. The rates of such fees and charges (including the fee for vehicle in transit) will be decided and notified from time to time by Contracting Parties and informed to one another. Fees and charges will be paid in the currency of the Contracting Party in which the vehicle is entering. Nothing in this clause exempts the vehicles of another Contracting Party from the commercial charges payable on the highways, toll-ways, etc., so long as the same are equally applicable to the vehicles of the destination or transit Contracting Party. Any other charges to cover the cost of services provided for cross-border transportation between the Contracting Parties may be levied on mutually agreed basis.
- (4) No additional charges such as octroi, or local taxes will be levied on transportation of passenger vehicles of one Contracting Party while plying in the territory of another Contracting Party except those taxes/charges which are equally applicable to vehicles of the destination Contracting Party, and the transit fee applicable to vehicles of other Contracting Parties in transit.
- (5) Subject to the validity of the vehicle permit, the customs or relevant authorities of respective Contracting Parties will allow temporary admission to vehicles into their territory free from customs duty.

- (6) In case of over-stay by a vehicle for a period more than the prescribed time limit as per the permit issued by customs/relevant authorities of a Contracting Party, the laws of the Contracting Party would be applicable, except when the period of overstay is on account of political decision or interference of a third country or natural calamities, no custom demurrage and penalties will be imposed by the contracting parties.
- (7) A Customs subgroup having participation from both the Contracting Parties will be set up to formulate the required Customs and other procedures and safeguards with regard to entry and exit of vehicles.

### **ARTICLE-VIII**

#### **Road Signs and Signals - Compliance with Traffic Laws**

- (1) The designated authorities of the Contracting Parties will provide international road signs and signals along the specified routes, wherever required.
- (2) Vehicles of one Contracting Party are required to observe laws pertaining to traffic while in the territories of other Contracting Party.
- (3) The State Government or local authorities will not impose any restrictions or changes inconsistent with the provisions of this Agreement. However, this will not prevent State Government or local authorities from imposing such temporary restrictions as may be necessary to maintain law and order or to meet contingencies like natural calamities.

### **ARTICLE - IX**

#### **Force Majeure**

In case of over-stay in any Contracting Party due to vehicle breakdown, accident, repair works or other unforeseen circumstances including natural calamities, disasters, or action or interference by a third country, a member of the driving crew will notify to the competent authority of that Contracting Party for the required period.

### **ARTICLE - X**

#### **Right to Inspect and Search**

- (1) Any authorized officer of the Contracting Parties such as the officers of the Department of Customs, Land Port/Dry Port, Police and other security agencies and the Transport Authorities will have the right inside their territory to inspect and search vehicles operating under this Agreement, its luggage, passengers and goods on Risk Management System (RMS).
- (2) Vehicle of one Contracting Party operating contrary to the provisions of this Agreement in the territory of other Contracting Party will be subject to the law of the destination or transit Contracting Party.

### **ARTICLE - XI**

### Insurance

- (1) The non regular passenger transportation by vehicles to be operated under this Agreement will be insured by a registered Insurance Company against at least third party loss, in both the Contracting Parties where the vehicle is allowed to ply.
- (2) The regular passenger and cargo vehicle must have a comprehensive insurance policy.
- (3) The appropriate authorities of each Contracting Party will provide facilities to the insurance company of the other Contracting Party to carry out all necessary steps such as survey, assessment, investigation, settlement of claims and remittance in connection with such operation.
- (4) In the event of an accident resulting in damage to a third party's property or loss of life or injuries to third parties, appropriate authorities of each Contracting Party will extend all assistance for expeditious settlement of the claims and provide facilities to the persons concerned, subject to the law of the Contracting Party.

## ARTICLE - XII

### Business Facilitation

- (1) Persons or institutions operating regular passenger transportation or regular cargo transportation services in one Contracting Party will be permitted to open their branch offices or appoint their agents in the other Contracting Party, on mutually agreed terms on reciprocal basis. The authorized operators will also obtain work permit for their employees deployed at a branch office in another Contracting Party from the competent authority of the respective Contracting Party.
- (2) The authorized operators will be permitted to open bank account(s) in the other Contracting Party for remittance of funds generated by sale of bus tickets and receipt of money as a result of transportation of goods and for meeting local expenses.
- (3) The appropriate authorities of the Contracting Parties will provide all possible facilities to the vehicle of the other Contracting Party, which may be disabled on the roads. The owner of the vehicle will be permitted to make necessary remittances through banking or other permissible channels, on account of expenditure incurred on such rescue operation / repair.

## ARTICLE - XIII

### Consultations

- (1) The Contracting Parties will consult each other as and when necessary, in connection with the implementation of the Agreement.
- (2) In order to facilitate effective and harmonious implementation of the Agreement, the Contracting Parties will consult each other at a mutually decided place and date.
- (3) Differences, if any, regarding the interpretation and implementation of this Agreement will be resolved through consultations.

- (4) For promotion of transit and trade with a third country under the agreement the two contracting parties upon official request from a third country, may share the agreement with the third country.
- (5) For securing transit and transport by the two countries by land ports as per the agreement, the contracting parties can propose signing bilateral or multilateral agreements with the neighbouring countries especially other SAARC member states and Economic Cooperation Organisation (ECO) for establishing provision for transit and transport through or connecting the relevant countries.

#### **ARTICLE - XIV**

##### **Applicability of Local Laws**

- (1) The Contracting Parties agree not to permit the movement of goods which are either prohibited or restricted under the prevailing laws and regulations of the respective countries, and any negative/sensitive list agreed upon by the Contracting Parties.
- (2) The National laws of the respective Contracting Parties will govern matters other than those mentioned in this Agreement.
- (3) The Contracting Parties will cooperate effectively with one another to prevent infringement and circumvention of the laws, rules and regulations of their respective countries in regard to matters relating to the movement of vehicles.
- (4) This Agreement will not affect the rights and obligations arising from other international commitments of the Contracting Parties.
- (5) This Agreement will not affect the existing bilateral agreements or arrangements between the Contracting Parties.

#### **ARTICLE - XV**

##### **(I) Dispute Settlement.**

- (1) Any dispute arising out of interpretation and /or implementation of this Agreement shall be resolved amicably between the Contracting Parties. If unresolved, the Contracting Parties may refer the dispute to a mutually agreed dispute resolution mechanism.
- (2) The Contracting Parties will cooperate effectively with one another to investigate infringement and circumvention of any law and to conduct proceedings for enforcement of local laws as applicable in the other Contracting Party.

##### **(II) Entry and Withdrawal**

- (1) Any other country may enter into this Agreement subject to consensus among the existing Contracting Parties through a separate agreement/protocol between the

existing Contracting Parties and the acceding state. Any Contracting Party may withdraw from this Agreement at any time after its entry into force, and shall inform the other Contracting Parties of its withdrawal. The withdrawal shall be effective on expiry of six months from the date on which a written notice thereof is received by the other Contracting Parties.

- (2) The rights and obligations of the Contracting Party which has withdrawn from this Agreement shall cease to apply as of that effective date.

## **ARTICLE - XVI**

### **Entry into Force, Amendments and Review Mechanism**

- (1) This Agreement will enter into force on completion of formalities including ratification by both the Contracting Parties and upon issuance of notification through diplomatic channels.
- (2) The provisions of this agreement shall be reviewed by Contracting Parties after a period of three years from the date of entry into force of this Agreement or earlier as mutually agreed by Contracting Parties. The review process will suggest amendments, modifications or improvements in the provisions of this Agreement.
